Silent Auction

The Silent Auction is made up of a variety of items including themed gift baskets donated by the classrooms (grades Prek – 7th), gift certificates and merchandise donated by local businesses and items of value donated by parents.

PreK–7th Grade Homeroom parents ask the class parents to donate items for the basket. They collect the donated items from the class parents and assemble into a basket to be auctioned off at Fall Fest.

Do you or your business want to donate to the Silent Auction? Please let us know if you have a service, product, or experience (lake house, box seats, photography, massage, handyman, etc.) you would like to put in the auction.

Thank you! Here is the contact information for the Silent Auction Committee: Jana Mallo - jana.mallo@gmail.com or 512-917-9614 or Teri Rice - teririce@msn.com or 512-767-3840

Credit Cards will be accepted at the Silent Auction!
