### Summary

NYOS is in compliance with all statutory reporting and policy requirements. Compliance is a top priority of our administration.

NYOS is ranked *Exemplary* in Digital Learning. Although we have invested several resources to support integration of technology in our practice, technology is everchanging and we would benefit from having additional equipment in every classroom to enhance student learning.

### Programs/Evidence

- -SMART Boards in all elementary classrooms
- -Projectors and document cameras in all classrooms
- -Laptops and tablets available to students at a 2:1 ratio
- -District provides 2 computer labs, media center, and 4 classrooms outfitted with 1:1 workstations
- -Flipped classroom design at secondary level
- -BYOD (Bring Your Own Device) initiative
- -Resources aimed at supporting integration of technology (financial, personnel,
- infrastructure, and instructional application)
- -TEA's Texas Gateway™ utilized by instructional staff
- -Career Cruising<sup>™</sup> curriculum
- -Web-based programs in use: Discovery Streaming™, Compass Learning®,
- STEMscopes<sup>™</sup>, GradPoint<sup>™</sup>, Reading A to Z®, Raz-Kids®, Think Through Math, Reading Plus®, Istation®, Vocabulary Spelling City®, Geometer's Sketchpad®,

### **Opportunities**

Continue to enhance digital learning opportunities that incorporate "real world" college, career, and life experiences through project-based learning activities, study trips, and computer science courses.
