I acknowledge that I have read the student parking and information guidelines and will abide by the regulations. I further understand that if my vehicle is parked illegally and it becomes necessary for it to be towed, all the expenses incurred will be my responsibility. **Also, I understand that my driving privileges and parking permit can be revoked without a refund for violations of the parking regulations or as a result of Student Handbook and Code of Conduct violations such as, but not limited to, leaving school without permission (alone or with another person).** No parking permit will be replaced unless the old permit is brought in to the reception desk. Vehicles parked on school property are under the jurisdiction of the school. The school reserves the right to search any vehicle if reasonable cause exists to do so. Students have full responsibility for the security of their vehicles and will make certain they are locked and their keys are not given to others. Students will be held responsible for any prohibited objects or substances, such as alcohol, drugs, and weapons that are found in their cars and will be subject to disciplinary action. Searches of vehicles may be conducted at any time there is reasonable cause to do so, with or without the presence of the student.
